Nine Stages for developing a nonprofit Strategic Plan

There are nine steps necessary for developing a nonprofit Strategic Plan.

**Stage 1:** Create the planning team.

**Stage 2:** Establish the relevant scenarios.

**Stage 3:** Develop or reaffirm the Vision and Mission.

**Stage 4:** Apply the SWOR Analysis filter.

**Stage 5:** Set strategies and reality checks against SWOR.

**Stage 6:** Develop Action Plans.

**Stage 7:** Filter actions against the scenarios to ensure robustness of actions under all scenarios

**Stage 8:** Implementation.

**Stage 9:** Measure implementation.
